CHAIRMAN MESSAGE

The release of this edition of the Galaxy Bulletin was delayed for some time due to personnel changes.

From this edition of Galaxy Bulletin, we can see that the Chinese New Year has already pass half of the year but we are still able to recall the happiness and blessing memories that happen during Chinese New Year early of this year. Of course, our happiness and blessing is not given but is deep from our heart. For some people they set their own happiness and blessing on a high expectations so these people they do not feel happy always and keep complaining all the time. Another word for this, being a happy and blessed person is always sharing from your heart and not keep demanding others.

Hereby I wish all Galaxians to always be happy and be blessed all the time.

这一期的宇宙资讯已经拖了一段时间才出版正因为管理层的人事变动所致。

从这一期的宇宙资讯，读者可以看到我们农历新年已不知不觉地过了7个月。虽然如此，但读者们都可以在这一期的宇宙资讯里回味着农历新年的快乐气氛。快乐必然是由我们的内心发出的。对某些人，他们把幸福与快乐的指标设定得太高变得这班人对于很多美好的事物都不满意所以他们都感受不了发自内心的快乐与幸福。换句话说呢，快乐与幸福是源自一个人的内心感受而不是永无止境的要求。

在此我希望宇宙的成员们每时每刻都会感受到快乐与幸福。
